

## Your Trip is CONFIRMED!

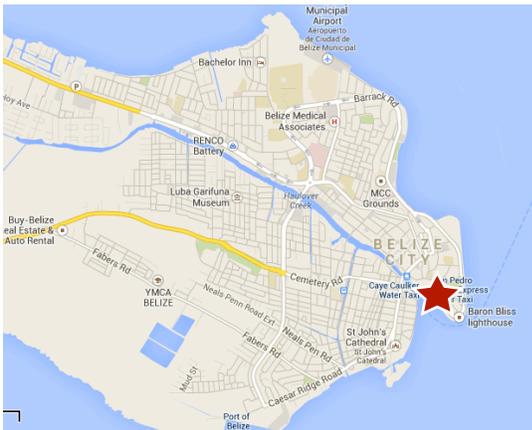

Thank you for choosing Sea Sports Belize!

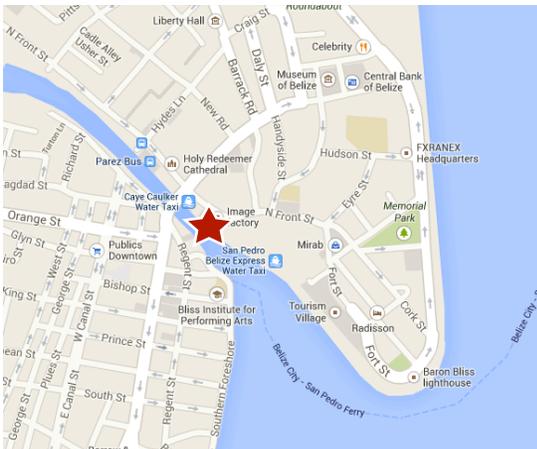

Your trip departs 9:30 am local time and we ask that you arrive no later than 30 minutes prior to the departure time. If you can arrive earlier you'll be able to find a better parking spot, can come and sign in and get ready, and if time permits you can explore a little before we head out.

Our shop is located in downtown Belize City, 3 buildings east of the Historic Swing Bridge on the north side of town. If you are staying in a hotel in downtown Belize City ask the front desk the shortest way to our shop.

If you are coming from northern Belize you will be arriving into Belize City from the Northern Highway (Phillip Goldson Hwy) and if you are traveling from Cayo then you will be coming in on the Western Highway. (George Price Hwy).

If you are coming in on the Northern Highway you will pass through 3 roundabouts, after the third one you will see a gas station on your left. Keep going straight and at the second road take a right onto Mapp Street. This goes for two blocks and you will need to veer left onto North Front Street. On your immediate right will be the Belize Farm Center and then Quality Poultry. Keep straight on North Front Street until you pass Holy Redeemer School and Church on your left, you will soon be coming to the intersection at the Swing Bridge. The traffic going over the bridge has the right-of-way so when it is clear you go straight through the intersection and you will see the Caye Caulker Water Taxi terminal on your right. Our shop is located on the ground floor of the Centerpoint Building two buildings down from here.

If you are coming from the Western Highway follow the road straight after you meet the roundabout as it turns into Cemetery Road. Keep going straight on this road for several blocks until you see the Belize Bank in front of you. Here you will need to take a right, go down two blocks, take a left, then another left and you will be on Regent Street. Go straight over the Swing Bridge and take the right onto North Front Street and you will see the Centerpoint Building on your right.
